

Advanced capitalisation methodologies

Capitalisation Workshop
Greece-Italy 2021-2027

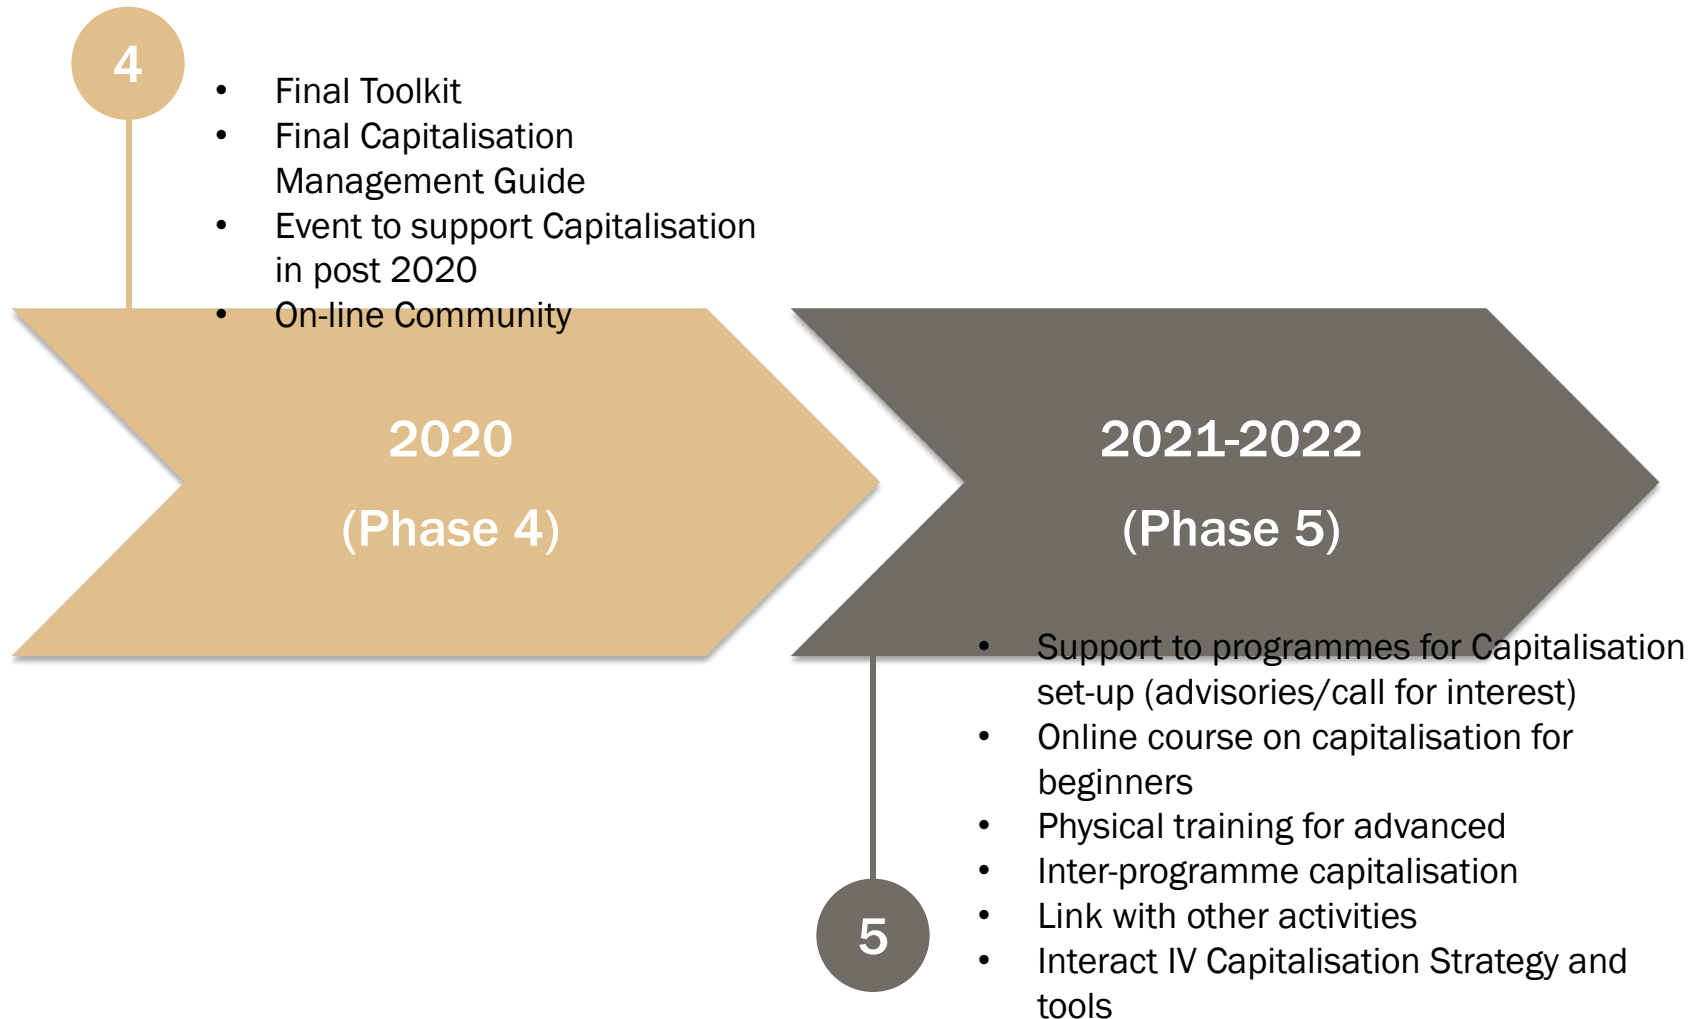

19 October 2022 | Bari

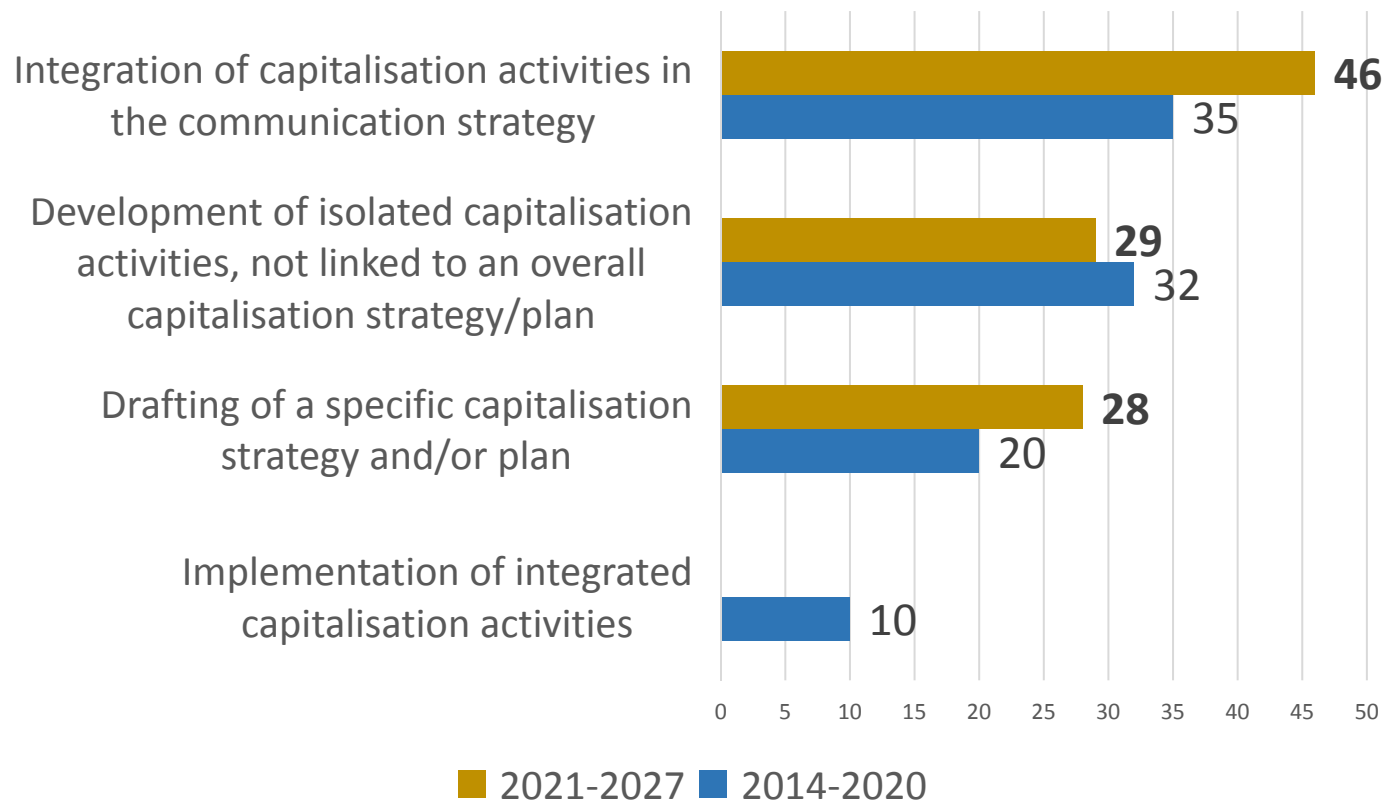

Capitalisation Work evolution

Capitalisation Work evolution

2. Planned capitalisation activities in 2021-2027 programmes

CAPITALISATION TAILORED SUPPORT

2021: 5 Programmes

- IT-AL-ME
- EE-RU
- MAC
- GR-BG
- NORTH SEA REGION

2022: 7 Programmes

- IT-SI
- GR-IT
- IT ACT
- ADRION
- IT-HR
- BLACK SEA
- AT-HU

Methodological framework and key issues raised by the programmes

1. Strategy and governance related issues

<u>Methodological framework</u>	<u>Key issues raised by the programmes</u>
<ul style="list-style-type: none"> - Definition and drafting of capitalisation plans and strategies <i>(cf. INTERACT Capitalisation Management Guide)</i> 	<ul style="list-style-type: none"> - Capitalisation plan or capitalisation strategy? What content and structure ? - What kind of tools for what kind of objectives? (need of flexibility and scenario...)
<ul style="list-style-type: none"> - Awareness raising of stakeholders (Monitoring Committees, national authorities...) 	<ul style="list-style-type: none"> - How to ensure a good understanding and full commitment of monitoring Committees' members?

Methodological framework and key issues raised by the programmes

2. Content and implementation related issues

<u>Methodological framework</u>	<u>Key issues raised by the programmes</u>
<ul style="list-style-type: none"> - Identification of valuable results/outputs with high potential for replication which could be capitalised 	<ul style="list-style-type: none"> - How to select relevant results for capitalisation tools (database, video...) or for future capitalisation calls ? Benchmark...
<ul style="list-style-type: none"> - Identification and engagement of potential stakeholders (“Takers”) - Organisation and moderation of capitalisation-transfer events/workshops 	<ul style="list-style-type: none"> - What requirements for engaging the relevant key stakeholders (both givers/takers)?
<ul style="list-style-type: none"> - Creation and facilitation moderation of thematic clusters / communities - Benchmark 	<ul style="list-style-type: none"> - What resources needed? - Focus on which thematic priorities? - What scope of animation, connections with other programmes...? - Role of stakeholders (MA, JS, Projects?)

Focus 2022

Support in the definition, revision of a capitalisation strategy or the drafting of a capitalisation plan (6)

Support in identifying achievements/results to be capitalised (6)

Support in the creation and animation of thematic communities (5)

Support in identifying possible targets that may be interested in re-using CTE project outputs/results (4)

Support in the preparation and organisation of capitalisation events (3)

Support in the development of actions to improve the capitalisation process: calls for capitalisation projects, integration of a "capitalisation" module in projects, mentoring, etc. (3)

Support in raising awareness and mobilising the actors of your ETC programme on the issues of capitalisation (2)

Advanced Capitalisation methodologies

- Selection of outputs from ‘Givers’ and identification of ‘Takers’
- Capitalisation Calls
- Thematic clusters/communities – Thematic events
- Synergies between ETC programmes and coordination with national authorities’ initiatives

Thank you for your attention
